

Mild and moderate acne

SALIPIL CAPS DIETARY SUPPLEMENT

Based on **Burdock and White Willow plant extracts, with Zinc, Selenium and Vitamins.**

GLUTEN-FREE, LACTOSE-FREE

30 tablets in blisters – total weight 30 g

Description

Dietary supplement containing Burdock, which helps to keep skin healthy; Zinc, Biotin, Niacin and Vitamin A, which help to keep skin in normal conditions; Vitamin C, which helps to make collagen for normal skin functioning; Selenium, which helps to protect cells from oxidative stress..

Benefits

The nutrients provided by Salipil Caps help to regulate sebum in excess, have anti-bacterial effects and preserve healthy skin.

How to use

Take 1 tablet a day

Contains

- **Burdock**, herbaceous plant known for centuries for the number of therapeutic effects the active ingredients it carries have and which are considered very useful to counter skin conditions especially. It is traditionally known for its antibacterial action and regulation of excessive sebum secretion.
- **Zinc**, included in a gluconate form to give better gastric tolerability to the product, is one of the most important microelements of the human body. Zinc is effective in eliminating bacteria and is an element needed by skin's sebum glands.
- **Vitamin E and Selenium**, which contribute to the protection of cells from oxidative stress.
- **Vitamin A** helps to preserve healthy skin.
- **Vitamin C** helps to reduce the spread of the acne infection and also to increase collagen synthesis.
- **Nicotinamide** restores the dermal-epidermal barrier function, thereby soothing skin.
- **Willow extract**, with natural anti-inflammatory effects.
- **Biotin**, which participates in the synthesis of fatty acids and supports the production of glycogen, this having positive effects on skin trophism. Also well known for effectively regulating excessive sebum production.
