

Impure skin

ACNELL MASK PEEL-OFF MASK

Based on **1% Azelogyline**

Prevents skin blemishes, purifies skin

PARABEN-FREE

8 single-use sachets of 10 ml each

Description

ACNELL Peel-off mask is a complementary treatment for oily and impure skin that helps to reduce swollen pores and regulate sebum in excess. Also helps to replenish and soothe skin stressed by pharmacological treatments.

Based on 1% Azelogyline and a complex of plant active agents with antiseptic and sebum-normalising, as well as Hyaluronic Acid for a moisturising and restorative action.

Benefits

Counters the formation of comedones and pustules, improving the wellbeing of subjects with impure skin. Repairs skin that has been fragilised by aggressive treatments.

How to use

Spread the content of a sachet over the face and leave on until it dries up completely, then gently peel off the mask from the face. Use twice a week.

Contains

- **1% Azelogyline**: a derivative of azelaic acid, with sebum-normalising and moisturising properties.
- Purifying plant complex (black cumin oil, chaulmoogra, manuka and magnolia bark extract): helps to rebalance skin conditions, counteracting hyperkeratinisation and controlling bacterial proliferation
- Hyaluronic acid: moisturising agent
- Allantoin: with a soothing action
