RESURFACE OXBAN CREAM REPAIR AND ANTI-OXIDANT CREAM

Based on **Resvox® complex 4%**

Protects from oxidative stress, deeply moisturises skin
and minimises wrinkle depth.

*PERFUME-FREE, PARABEN-FREE
CLINICALLY TESTED*

50 ml/1.69 fl. oz. pot

Description

RESURFACE OXBAN CREAM is an anti-wrinkle face treatment for mature skin with strong anti-oxidant and hydrolipid layer-replenishing effects. Contains anti-glycation active ingredients which prevent damage to collagen in ageing skin. The association of encapsulated pure Resveratrol and stabilised Vitamin E protects skin from oxidative stress and counters damage by free radicals. In addition, the cream also includes cross-linked Hyaluronic Acid, which penetrates deeply into the epidermis to soften ageing signs, and high-molecular-weight Hyaluronic Acid, which works to moisturise skin deep down.

Benefits

Global treatment with clinically proven anti-ageing effectiveness:

- Ultra-moisturising effect, with a 4% increase of deep hydration in skin
- Increase of elasticity and skin compactness, by 13% and 27% respectively
- Visible improvement of wrinkles

How to use

Apply in the morning and evening to the face, neck and décolletage after cleansing skin. In the morning, combine with RESURFACE C15 SERUM to also brighten skin tone and reduce dark spots.

Contains

- **Resvox® complex 4%**: antioxidant effect thanks to 2% Resveratrol encapsulated with a special technology that preserves its efficacy in time, in association with 2 Vitamin E.
- Anti-glycation ingredients: prevent damage by glycation that occurs during the skin ageing process and which lead to an alteration of skin proteins, such as collagen and elastin.
- Hyaluronic acid: included in a crosslinked form to soften wrinkles and in a high-molecular-weight form to provide hydration deep down in skin.

CANOVA®

Ingredients (INCI)

INGREDIENTS: AQUA, GLYCERYL STEARATE CITRATE, DIMETHICONE, CETYL ALCOHOL, C12-15 ALKYL BENZOATE, BUTYROSPERMUM PARKII BUTTER, TOCOPHERYL ACETATE, GLYCERIN, CRAMBE ABYSSINICA SEED OIL, PROPYLENE GLYCOL, RESVERATROL, POLYSILICONE-11, HYDROXYACETOPHENONE, MALTODEXTRIN, PARFUM, DISODIUM COCO-GLUCOSIDE TARTRATE, CERA ALBA, ETHYLHEXYL STEARATE, POLYACRYLATE CROSSPOLYMER-6, OLEYL ALCOHOL, SODIUM HYALURONATE, BUTYROSPERMUM PARKII BUTTER EXTRACT, GLYCERYL LAURATE, POTASSIUM PHOSPHATE, DISODIUM PHOSPHATE, TAMARINDUS INDICA SEED POLYSACCHARIDE, ORIGANUM MAJORANA LEAF EXTRACT, ZANTHOXYLUM BUNGEANUM FRUIT EXTRACT, LECITHIN, DECARBOXY CARNOSINE HCl, BUTYLENE GLYCOL, SODIUM GLUCONATE, POLYGLYCERYL-4 DIISOSTEARATE/POLYHYDROXYSTEARATE/SEBACATE, SODIUM HYALURONATE CROSSPOLYMER, SODIUM ISOSTEARATE, PHENOXYETHANOL, POTASSIUM SORBATE, BIOSACCHARIDE GUM-4.
