## RESURFACE C15 SERUM GLOBAL ANTI-AGEING TREATMENT

Based on **15% stabilised Vitamin C**

Regenerates, brightens, evens out skin and is anti-ageing

*PERFUME-FREE, PARABEN-FREE  
CLINICALLY TESTED*

30 ml/1.01 fl. oz. bottle

### Description

RESURFACE C15 SERUM is an innovative global treatment to regenerate, illuminate and even skin out. It is based on a high concentration (15%) of Vitamin C, which has been stabilised to achieve high performance of the ingredient while preserving its effectiveness in time. Vitamin C, in combination with Phytic Acid, helps to brighten skin, make it more radiant and counter dark spots. Counters skin ageing signs, such as wrinkles, expression lines, uneven skin tone, skin sagging.

### Benefits

Skin is instantly left more radiant, even, as if regenerated. Regular use will soften wrinkles and fine lines.

### How to use

Apply 1 drop twice a day to face, neck and décolletage, either alone or under your usual moisturiser and make-up.

### Contains

- **15% stabilised Vitamin C**: has depigmenting effects, prevents photo-ageing, counters free radicals, promotes collagen synthesis
- 1% phytic acid: brightens and illuminates skin
- Carnosine: prevents and repairs glycation-induced damage
- Lipoic acid: antioxidant
- Trehalose: moisturising
