

Chrono and Photo-Ageing

15 GLYCO ELASTICISING BODY CREAM

Based on **15% Glycolic Acid**

Restores firmness to skin.

PARABEN-FREE

150 ml / 5.07 fl. oz.

Description

15 GLYCO Elasticising body cream stimulates skin and makes it firmer. Exfoliates the superficial epidermal layer, thereby slowing the formation of stretch marks and minimising existing ones, stimulates cellular turnover by increasing the elasticity, firmness and hydration of skin. It also improves skin microcirculation and favours a draining effect. In addition to a high concentration of high glycolic acid that is very well tolerated by skin, other active ingredients have been included to stimulate skin and improve its trophism by working on the microcirculation.

Benefits

Prevents and reduces stretch marks by elasticising and firming skin. Improves skin microcirculation and favours a draining effect.

How to use

apply morning and evening to the body on areas requiring treatment. Do not expose to sunlight after application.

Contains

- **15% free and micro-incapsulated Glycolic Acid**: the latter allowing slow-release and prolonged smoothing and elasticising effects while, at the same time, restoring firmness and elasticity to the epidermis. Skin looks more radiant, supple and compact.
- Centella Asiatica: skin-stimulating agent. Improves skin blood flow and trophism, making it more elastic.
- Lycopene: potent antioxidant.

CANOVA®

Ingredients (INCI)

AQUA (WATER), GLYCOLIC ACID, GLYCERYL STEARATE, PEG-100 STEARATE, ETHYLHEXYL COCOATE, CETEARYL ALCOHOL, GLYCERIN, DIETHYLHEXYL CARBONATE, ETHYLHEXYL METHOXYCINNAMATE, PRUNUS ARMENIACA (APRICOT), KERNEL OIL, PLUKENETIA VOLUBILIS SEED OIL, BENZYL ALCOHOL, PROPYLENE GLYCOL, CAPRYLIC/CAPRIC TRIGLYCERIDE, PARFUM (FRAGRANCE), CENTELLA ASIATICA EXTRACT, SALICYLIC ACID, TETRASODIUM EDTA, LECITHIN, GLYCOPROTEINS, SORBIC ACID, CYCLODEXTRIN, SOLANUM LYCOPERSICUM (TOMATO) FRUIT/LEAF/STEM EXTRACT, TOCOPHEROL, ASCORBYL PALMITATE, HYDROGENATED STARCH HYDROLYSATE, PHENOXYETHANOL, CITRIC ACID, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, ROSMARINUS OFFICINALIS (ROSEMARY) LEAF EXTRACT, ETHYLHEXYLGLYCERIN, TETRASODIUM GLUTAMATE DIACETATE.
