SENSIQUELL OLEATED BATH WASH

Based on **10% Sweet Almond Oil**

Washes gently, respects the skin barrier and
leaves skin soft and hydrated.

250 ml/8.45 fl. oz. bottle

Description

Non-foaming, gentle and emollient wash recommended for daily use on dry and sensitive skin. Effectively washes by lipid affinity, thereby preserving an ideal level of skin hydration. Also ideal for the gentle bathing of babies, to prevent skin redness and keep skin soft.

Benefits

Has a formula based on 10% Sweet Almond Oil, useful to preserve the hydrolipid balance of skin, thereby preventing excessive water loss.

How to use

Pour an adequate amount of product into bathtub to wash. After washing, pat your skin dry rather than rubbing.

Contains

- **10% Sweet Almond Oil:** rich in polyunsaturated fatty acids and liposoluble vitamins that replenish and maintain skin's hydrolipid balance, thereby preventing excessive water loss through skin.
- Gentle emulsifiers: gently, yet effectively remove impurities
