

Delicate skin

## **SENSIGEL** INTIMATE GEL

Moisturises and lubricates the mucosa of external genitalia.  
Prevents dryness, irritation and bad smell.

*PERFUME-FREE, PARABEN-FREE*

50 ml/1.69 fl. oz. tube

### Description

SENSIGEL Intimate gel is recommended for dryness of the external genital mucosa due to particular situations (after giving birth, menopause, climacteric) or consequent to localised stress. Includes Allantoin, mucopolysaccharides and vitamins that help to keep the elasticity and hydration of tissues.

### Benefits

Useful to hydrate and lubricate external genitalia. Prevents dryness, irritation and bad smell. Facilitates sexual intercourse.

### How to use

Apply an adequate amount of product to the vulvar area and gently rub. Do not use in case of allergy to any of the components. Use on unbroken mucosa only.

### Contains

- Vitamins A and E, mucopolysaccharides: help to maintain elasticity, hydration and softness of tissues and mucous membranes
- Allantoin: soothes irritation
- Antimicrobial agent: prevents unpleasant odour

### Ingredients (INCI)

AQUA, SORBITOL, GLYCERIN, LAURETH-9, CETYL, STEARYL OCTANOATE, XANTHAN GUM, PEG-40 HYDROGENATED CASTOR OIL, CARBOMER, ALLANTOIN, IMIDAZOLIDINYL UREA, TRICLOSAN, TOCOPHERYL ACETATE, RETINYL PALMITATE, LACTIC ACID.
