

Sun protection

## REOXALL 100s CAPS DIETARY SUPPLEMENT

Based on **Lyophilised Noni**, **Astaxanthin**,  
**Lutein** e **Tyrosine**

Helps to prevent damage induced at  
systemic level by sunlight exposure

30 tablets in blisters – total weight 23.1 g

### Description

Dietary supplement contains lyophilised Noni juice, having anti-oxidant properties, Vitamin D, Vitamina B12 and Folic acid, which support the normal functioning of the immune system, Vitamin C, Vitamin E and Vitamin B2, which help to protect cells from oxidative stress. Also contains Copper, which supports the normal pigmentation of skin.

### Benefits

Dietary supplement that ensures protection from oxidative stress, preserves normal skin pigmentation and normal immune system functioning.

### How to use

Take 1 tablet a day by swallowing with some water.

### Contains

- **Lyophilised Noni**: anti-oxidant effect that helps to protect cells from oxidative stress
- **Astaxanthin**: counters photo-sensitivation by inhibiting the side effects triggered by excessive sun exposure
- **Lutein**: anti-oxidant effect that helps to slow down structural and functional tissue ageing
- **Tyrosine**: required for melanin synthesis, melanin being the skin pigment needed for skin colour
