

Hair care

RIVESCAL GENTLE SHAMPOO

With **naturally derived surfactants**

Respects the physiological pH of skin

PARABEN-FREE, SLES-FREE

200 ml/6.76 fl. oz. bottle

Description

RIVESCAL Gentle shampoo is a specific treatment developed for the daily washing of sensitive, delicate scalp. It is particularly suitable for thin, weak hair or damaged by the use of improper cosmetic treatments. Washes gently thanks to the naturally derived surfactants it includes, while the soothing agents it also contains respect the physiological pH of hair and scalp. Leaves hair radiantly alive, soft and full of bounce. Can be used every day. Also ideal used in combination with anti-dandruff and anti-hair loss treatments.

Benefits

Gently washes and leaves hair radiant and soft. Ideal for subjects with sensitive scalp.

How to use

Work product evenly into wet hair, then rinse thoroughly. Repeat if necessary. For daily use.

Contains

- **Naturally derived surfactants:** gently, yet with a good foaming power, allow to wash hair effectively and leave it soft and radiant
- Niacinamide: helps to reduce redness and itch
