30 tablets in blisters – total weight 37.5 g

Description

RIVESCAL Trico caps is based on a specific combination of nutrients useful to counter female hair loss triggered by hormonal and seasonal factors and stress. Also useful for preserving healthy nails.

Benefits

Favours the strengthening of hair and counters seasonal hair shedding.

How to use

Take 1 tablet a day for a minimum period of three months.

Contains

- **L-Cysteine, L-Methionine**: take part in the formation of keratin, the main constituent of hair
- **Taurine**: nourishes the root of the hair
- **Hyaluronic Acid**: increases the synthesis of collagen by strengthening the peri-follicular dermis
- **Red Clover**: thanks to the high titration in phyto-estrogens, allows an anti-androgenic activity, neutralising DHT.
- **Vitamin D** and **Folic Acid**: play a key role during the phase of hair growth, favouring the proliferation of keratinocytes
- **Vitamin E, Vitamin C** and **Lycopene**: counter oxidative stress
