

Hair care

VISCAPLUS DIETARY SUPPLEMENT

Based on **Selenium, Zinc, Minerals** and **sulphurated Amino Acids** with **hydrolysed Shark Cartilage**

60 tablets in blisters – total weight 77.6 g

Description

VISCAPLUS is a dietary supplement of Selenium, Zinc, Vitamins, Iron and Copper, useful when intake of such nutrients through the food we eat is reduced or when there is a need to increase their intake. Selenium is a key element for hair and nail growth, Zinc supports the synthesis of proteins found in the structure of hair, nails and skin. Stimulates the elasticity of the hair follicle, strengthens hair reduces the thickness of the epidermis to favour hair growth.

Benefits

Strengthens the hair structure, counters seasonal hair shedding and hair loss triggered by hormonal factors.

How to use

take 2 capsules a day with some water.

Contains

- **Amino Sugars and Amino Acids:** specific for the trophism of the dermis,
- **Sulphured Amino Acids:** specific for keratin biosynthesis, strengthen the protein structure of the hair.
- **Trace elements and vitamins** (Fe, Zn, Cu, Vitamins C, B5, B6)
- **Polyunsaturated Fatty Acids, Anti-free radicals** (Selenium, Vitamin C, Vitamin E): protect the hair shaft
