

Mild and moderate acne

## SALIPIL PURIFYING CREAM

Based on **2% free and micro-encapsulated Salicylic Acid**

Exfoliates skin and regulates sebum

*PERFUME-FREE, PARABEN-FREE, NON-COMEDOGENIC*

50 ml/1.69 fl. oz. tube

### Description

SALIPIL Purifying cream is a daily treatment for combination and oily skin. Due to its comedolytic and antibacterial properties, Salipil purifying cream is recommended for acne-prone skin. Helps to eliminate blackheads, makes skin smoother and prevents imperfections. Ideal also for mature skin showing acneic blemishes.

### Benefits

Reduces the production of sebum and prevents it, purifies skin, eliminates imperfections, soothes and moisturises skin.

### How to use

After cleansing skin well, apply in the morning and evening all over the face. It is also an excellent base for makeup.

### Contains

- **2% free and micro-encapsulated Salicylic Acid:** exfoliates skin and is anti-inflammatory. Microencapsulation allows a slow release of the active ingredient, prolonged over time, and at the same time it makes it more tolerated, even by the most sensitive skin
- Vitamin E acetate: anti-free radical effect
- Niacinamide: sebum-regulating, reduces pores swelling
- Trehalose and Betaine: moisturising and replenishing effects
- Limnanthes Alba oil: anti-oxidant effect

### Ingredients (INCI)

AQUA, C12-15 ALKYL BENZOATE, CETYL ALCOHOL, GLYCERYL STEARATE CITRATE, GLYCERIN, BUTYROSPERMUM PARKII BUTTER, ISONONYL ISONONANOATE, ETHYLHEXYL PALMITATE, SALICYLIC ACID, PANTHENOL, DIMETHICONE, LIMNANTHES ALBA SEED OIL, TREHALOSE, BETAINE, BENZYL ALCOHOL, HYDROXYETHYL
